Bottom left: One of our gifted squid shipriders, DT1 Condrotti, shows he's as gifted with the wildlife as the dentists drill. Bottom middle; A Koala Bear hanging out at the Taronga Zoo. Bottom right: The Sydney Opera house. A unique building in itself, it has the added distinction of having had its construction paid for solely through contributions from the People of Sydney & New South Wales. Middle right: Another view of the Opera House with Sydney's own version of the Space Needle in the background. Middle center: Interior architecture of the famous Opera House.
