

DC DAMAGE CONTROL

The DC Shop handles all plumbing, carpentry, metal work and is in charge of all firefighting and damage control gear. DCC Pardi is one of the ship's diver's and onsceneleader for repair 2, in charge of DC shop and ship's DCPO'S. DC2 Bautista is the senior petty officer who actually runs the shop, handles all work orders and PMS. DC3 Little and DC3 Lightfoot are the two work horses in the shop and handle the brunt of the work. FN Harold is the DC shop striker, if all goes well will be our newest DC petty officer, works right along side the two 3rds.

L-R: DCC Pardi, FN Harold, DC3 Little, DC2 Bautista, DC3 Lightfoot.
