

COAST GUARD CUTTER RUSH

VIETNAM CRUISE BOOK

This book is dedicated to the wives, parents, children, and sweethearts whom we had to leave at home when the **RUSH** was deployed to Vietnam on 9, October, 1970. Your continuing prayers, thoughts, and letters gave us the courage and spirit to achieve what we did while we were there. Our hopes and our prayers were fulfilled when we were allowed to return home on the 10th of August 1971.
